Abstrak <i>Abstract</i>	<p>This research is about maze in Taman Seribu Bunga. Maze is one of a game that test the mind and challenging individuals to be patience in finding their way out from the maze. The actual plan to build a maze in Taman Seribu Bunga, Ayer Keroh, Melaka became failure because the design landscape did not suitable to build a maze. The researcher came out with the idea to propose a better design maze in Taman Seribu Bunga. The researcher are using the mix method which is questionnaire and interview to know more and perception from people about the maze. The maze can be one of the attraction in Malaysia by promoting the maze in the future.</p>
