Abstrak <i>Abstract</i>	<p>Outdoor Recreation Suit (OutRec Suit) is a suit that has many features such as neon suit, waterproof and the material of the suit is from stretchable polyester, easy to carry and many function. Many people lost in the forest is because they do not wear suitable attire such as dark colour which is hard to be seen. OutRec suit help the rescuer to found the people that lost in the forest at night. Researcher choose to use quantitative method and distributed 70 questionnaires to students and hikers. Finding showed that the product can help rescuers to find the people that lost while hiking in the forest. Respondent give a good feedback and agreed that outdoor recreation suit gave more advantages to them. This product can be promoted to market place and can include in hiking package.</p>
