Abstrak <i>Abstract</i>	Lluvia Coat is a cover coat for an umbrella that function similar to rain coat. This product were made as an alternative way for the organizer to solve weather problem in their event and to make audiences stay in the event if it is an outdoor event . It is to protect the user from splash of rain water and giving them comfort while using it. We are doing the survey through questionnaire to get the effectiveness of our product. Last but not least, this product can get improvement with all the feedback and suggestion from consumer.
